### Parking Rates

Daily Rate (1st half hour): .....	\$0.75
Daily Rate (2nd half hour):.....	\$0.75
Daily Rate (each additional hour):.....	\$0.50
Max Daily Rate:.....	\$6.00
Standard Monthly Rate:.....	\$70.00
Special Event Rate:.....	\$5.00

### Monthly Parking

Monthly parking rates are available for those who need either short-term or long-term parking on a regular basis. In addition to standard monthly parking, which allows access Monday through Friday from 7:00 a.m. – 6:00 p.m., the City also offers a limited number of reserved spaces, premium and limited access parking options. Reserved spaces and premium parking come with an added charge to the standard monthly parking rate. The limited access option, which is ideal for part-time employees, is offered at a reduced rate for parkers who meet our minimum requirement and only require access during specific days and times of the week. Monthly parkers are provided with access cards/tags, which monitor their usage of the parking facility.

### Parking Enforcement

Our dedicated staff is the heart of our effective parking enforcement program and you will find that our parking enforcement officers are excellent ambassadors for the City of Greenville. Recognized by the unusual vehicles they drive, the officers carry maps and brochures and are always ready and willing to assist residents and visitors to downtown.

### Avoiding a Parking Citation

Repeated citations for the same violation will result in fines increasing by \$10 for each additional violation. As a result, the parking enforcement staff wants to help you avoid getting a parking citation in the first place. Below is a list of common violations:

- Parking facing traffic
- Backing into spaces
- Parking out of the lines
- Parking more than 18" from the curb
- Parking on a sidewalk
- Parking in a prohibited zone or no-parking zone
- Parking in a loading zone. All loading zones have a 30-minute limit and are for loading purposes only. Unless otherwise posted, loading zones are enforceable 24 hours a day.
- Parking over the two-hour limit
- Moving a vehicle to avoid a citation

For more information about public parking in downtown Greenville, including an instructional video about the pay-in-lane system, an interactive parking locator and photos of each City parking facility, visit <http://www.greenvillesc.gov/Transportation/default.aspx>.

# Put it in Park!

# PARKING SERVICES

The City strives to provide convenient, accessible parking and to offer a variety of options to meet your parking needs. Providing a diversity of parking options is important to the health, safety and economic vitality of the city and a well-designed, user-friendly parking system enables the City to maximize use of its existing parking supply.

## Parking Downtown

Convenient **FREE** parking is available in and around the downtown area in designated one-hour and two-hour parking zones. Free parking is allowed in any space within one of those zones where it is clearly marked.

**FREE** parking is available at the West Washington Street Deck Monday through Friday from 6:00 p.m. to 6:00 a.m. and on the weekends from 6:00 p.m. on Friday to 6:00 a.m. on Monday.

**FREE** parking from 6-9 pm on Fridays, 6 am-9 pm on Saturdays, and from 6 am Sunday to 6 am Monday. A flat fee of \$3 will be payable upon entry after 9 pm on Friday and Saturday evenings.

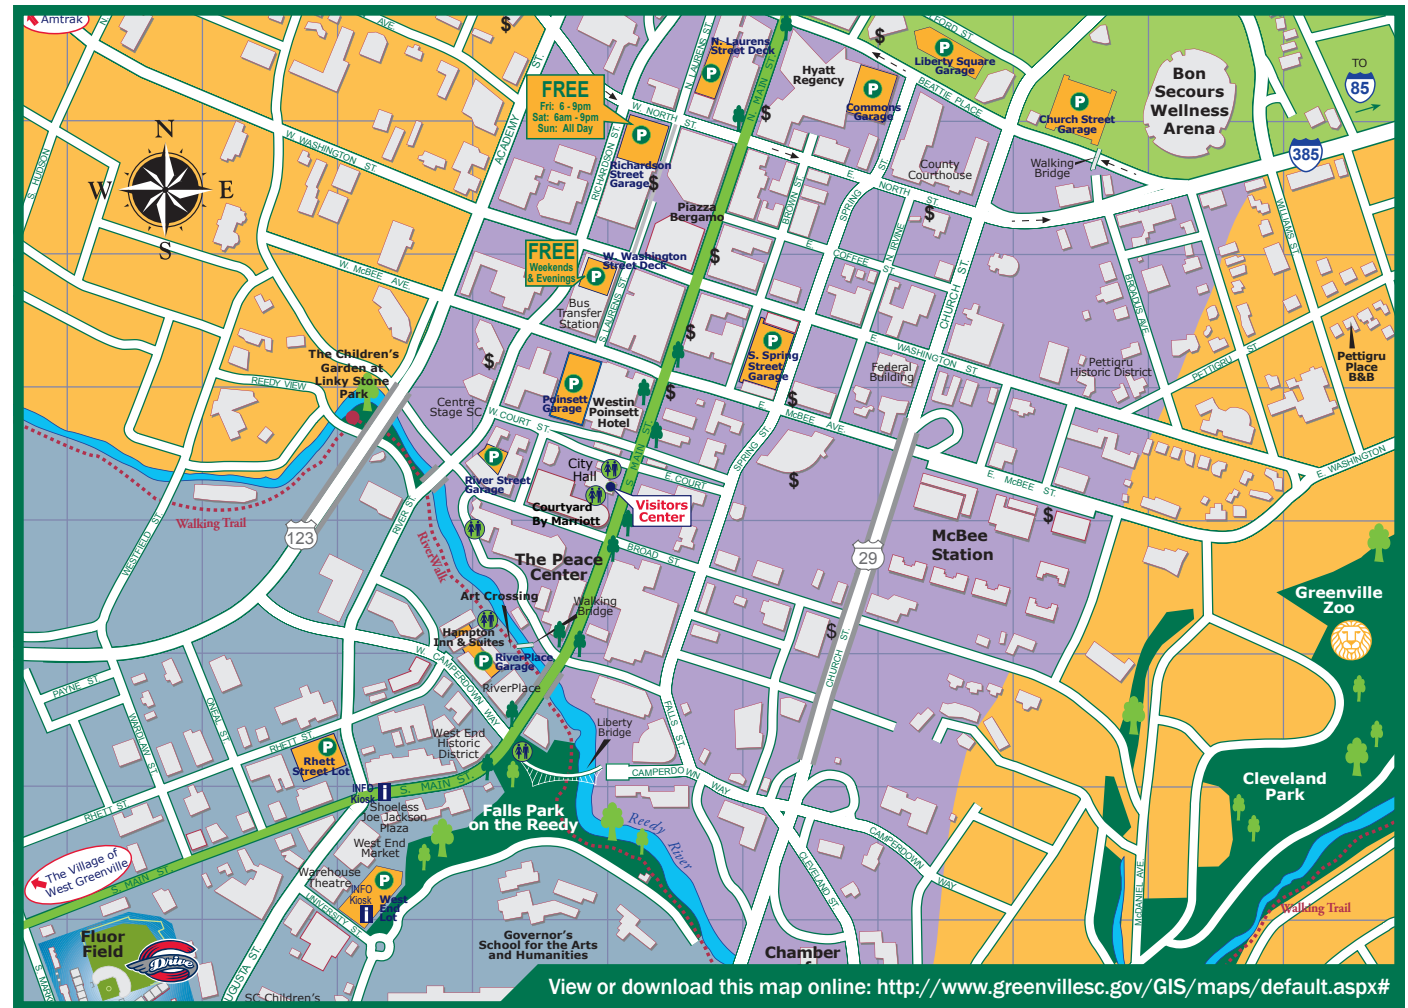

## Parking Structures

If you prefer covered parking or plan to be downtown for more than two hours, you may want to consider parking in one of the City's many conveniently-located parking structures. The City owns and operates 10 parking garages, which offer 6,333 spaces, and three surface parking lots, which offer an additional 203 spaces. Our structures are easily-identified by the parking banners mounted at the entrances and by the parking decals on the street leading to the garage. While some garages may be staffed by an attendant, pay-in-lane units (i.e. automated tellers) have now been installed at most City parking structures and accept cash, credit cards and pre-purchased validations.

Below is a list of the City's parking facilities. Please take a few moments to make safety your first concern when utilizing a parking facility. Please be aware of pedestrians within the facility and be sure to drive defensively when operating a vehicle in the facility. As an added precaution, when leaving your vehicle, please do not leave anything valuable on display in your car and please lock your doors.
